

Stratford Road PTA meeting September 13, 2017

Meeting commenced at 9:35am

Dr. Clark:

Welcomed everyone back to school. We have 14 new teachers, 9 aides and 2 security guards.

Security: There are two guards at the school who share the time from 8am-4:15pm. They are dispersed throughout the school during the day including, but not limited to,

- Front of the building during arrival and dismissal.
- Outside during rec.
- They will do an entire sweep of the building in the morning.
- They communicate with Brian Horath-our custodian.

Back to school night is next Tuesday.

Laurie Lynn, from guidance, found that a full developmental program is necessary and that school counseling services should be available to all children. In the POB district, Stephanie Graziouse Hipps, a school counselor, was added. She will be covering all four elementary buildings. Our district is proactive in recognizing that our kids can be exposed to a potential dangerous environment. The POB district hired a substance abuse counselor to the guidance department. She will be running three different parent academy programs. The first one is on Mon, 11/13 - "active parenting" theme.

Ms. Hipps introduced herself. Each month, she will be pushing into the classrooms for one lesson in addition to offering parent workshops monthly for elementary parents only.

The substance abuse counselor will be educating parents and staff about the trends they're seeing.

Dr. Clark:

Assessment results for our building were presented at a Board of Education meeting. The report from that meeting is on our district webpage.

Stratford results:

ELA 3rd grade: 61.1%

ELA 4th grade: 78.9%

MATH 3rd grade: 67.8%

MATH 4th grade: 76.9%

ATS is mandatory if a youngster scores a 1 on the test. ATS can be provided for a youngster who scores along a 2. Multiple pieces of data are utilized in analyzing students.

If you have any concerns, please call your classroom teacher.

On the 2nd day of school, the entire school had their welcome back assembly. Children are taught the school signal and they sing the school song.

On the 3rd day, there was the Code of Conduct assembly. The state requires each child to sign a code of conduct letter.
